

Acknowledgements

Hello everyone! We want to thank you for coming to our concert today. We cannot describe how much this means to not only us the directors, but to the entire choir. Our theme for today is *Never Alone*. This theme serves as a reminder that, no matter what we go through or how we feel, we are not alone. This semester, we have worked to ground ourselves in the certainty that the Lord walks with us in all that we do. We hope that our theme and selected songs allow you as an audience member to also find comfort in the fact that we are never alone. Finally, we ask that you sit back, relax, enjoy our concert, and help us to praise the name of the Lord!

Lovingly, Your GC Directors (Cheyenne, Divine, Kailie, Mimi)

We respectfully acknowledge that Williams College stands on the ancestral homelands of the Stockbridge-Munsee Mohicans, who are the indigenous peoples of the region now called Williamstown. Following tremendous hardship after being forced from their valued homelands, they continued as a sovereign Tribal Nation in Wisconsin, which is where they reside today. We pay honor and respect to their ancestors past and present as we commit to building a more inclusive and equitable space for all.

We would like to thank

*The Chaplains' Office
The Davis Center
The Music Department
for all of their support.*

Williams College Department of Music
