Acknowledgements

Thank you for joining GC for our Fall 2021 Concert!! We are blessed to be able to hold a live concert on stage again this semester! The past couple of years have been difficult in many different ways but we are grateful for the community and support provided by others around us that has allowed us to overcome the hardships. Today, we are very excited to share Gospel music, that is songs about GOOD NEWS to celebrate the joys in life that have persisted and the promises of hope that we hold onto! We hope you enjoy :)
