

Acknowledgements

Thank you for joining GC for our Spring 2022 Concert! We are so grateful to be able to hold another live concert on stage this semester. The past couple of years have been difficult in many different ways, but the strong community and support provided by those around us has allowed us to overcome the hardships. Today, we are very excited to share Gospel music, songs about the GOOD NEWS, to celebrate the joys in life and the Goodness of God! We hope you enjoy :)

We respectfully acknowledge that Williams College stands on the ancestral homelands of the Stockbridge-Munsee Mohicans, who are the indigenous peoples of the region now called Williamstown. Following tremendous hardship after being forced from their valued homelands, they continued as a sovereign Tribal Nation in Wisconsin, which is where they reside today. We pay honor and respect to their ancestors past and present as we commit to building a more inclusive and equitable space for all.

We would like to thank

The Davis Center
The Music Department
The Chaplain's Office
for all of their support.
